Get Ready for the Affordable Care Act!

Obtain the Information and Assistance You Need,
Tuesday through Thursday, October 1st - 3rd
from 10:00 a.m. – 2:00 p.m.
at our 935 Garfield Avenue site in Jersey City, NJ.

In January 2014 the Affordable Care Act goes into effect and everyone must have health insurance coverage. Metropolitan Family Health Network has information that will give you a clearer understanding of the law and your options.

• Come meet our Health Insurance Exchange Team who will:
  — Tell you all about the Affordable Health Care Act ... your rights and benefits;
  — Explain about the Health Insurance Exchange;
  — Provide you with the information and assistance that will help you choose the right policy at the right price;
  — Help you learn whether you’re eligible for free or low-cost coverage.
• Talk directly with Enrollment Specialists who will be on site.
• Become acquainted with the complete roster of services Metropolitan Family Health Network offers for children and adults, including state-of-the-art dental care.
• Meet our dedicated physicians and health professionals.
• Enjoy light refreshments.

Metropolitan Family Health Network is a Federally Qualified Health Center dedicated to making high, quality, affordable health care accessible to all residents of Hudson County, especially those who are uninsured and underserved. MFHN accepts most health care insurance as well as Medicare and Medicaid, and has a sliding-fee scale for patients who do not have insurance. Metropolitan Family Health Network never turns patients away because they cannot pay.

Metropolitan Family Health Network has earned gold-seal accreditation from The Joint Commission, an independent organization that accredits and certifies health care organizations in the U.S.
